# **COMPANY PROFILE**

## **INTRODUCTION**

Kumbi Oil Trading PLC is among the key players in the fuel, oil, and lubricants supply industry in Ethiopia, applying innovative technologies to improve logistics and deliver the highest quality services to its clients. With operations that embrace many parts of Ethiopia, we strive to be the company of choice for clients, partners, customers, and employees.

Kumbi Oil Trading PLC was established in Ethiopia on May 17, 2019, and registered under the Ethiopian Commercial Registration and Business License Proc No. 980/2016., as a private limited liability company, to pursue business in the **Petroleum and Petroleum Products Supply Industry**. Besides, in the past five years; the company has been expanded its business ventures to include:

- Importing engine oils and lubricants;
- Importing Fuel dispenser machines and accessories;
- Importing Vehicle Spare Parts Procurement and Supplies;
- Importing Industrial Chemicals;
- Importing Rubber and Plastic Materials;
- Importing Commercial Logs and Timber;
- Importing Metal and Metal Products;
- Exporting Agricultural commodities (i.e. Oil crops and Pulses, Coffee…);
- Wholesale and Retail Trade…

The company’s depot is located in the North-Western part of Ethiopia (Humera-Adebay) and has a design capacity of 1,200,000 liters. Currently, the company’s major destinations are North-West, Southern, Eastern and Western regions of Ethiopia.

---
